## ON THE COVER

Believe it or Not, Kirk Duquette's primed Deuce woodie is the first primed car to appear on the cover of RD; Burger shot it at the Nats, and he also took the driving shot at Jimmy Karp's '58 Chevy pickup, which you'll find on the centerspread of this issue.

Hendrickson caught the Fat orange Ford cruisin' the Louisville fairgrounds for our Nats coverage... lots more on Page 78.
