

SKINNED KNUCKLES

INDEX - VOLUME 11

In the following index, which covers Volume 11 of *Skinned Knuckles*, each subject listing is followed by three numbers (for a single listing) or a series of three numbers (for multiple listings). In every case the first number is the Roman numeral XI, which designates volume number 11; the second number indicates issue number; and the third number is page number. Example: BEZEL WRENCH, XI-7-24. The subject or topic is Bezel Wrench, and information on this subject can be found in volume number 11, issue 7, on page 24. Subjects listed include major topics covered in various columns such as "Restoration Forum," "Shop Ideas," etc., in addition to feature articles.
