

SKINNED KNUCKLES

INDEX - VOLUME 12

In the following index, which covers Volume 12 of *Skinned Knuckles*, each subject listing is followed by three numbers (for a single listing) or a series of three numbers (for multiple listings). In every case the first number is the Roman numeral XII, which designates volume number 12; the second number indicates issue number; and the third number is page number. Example: THREE-WHEEL CARS, XII-1-29. The subject or topic is Three-Wheel Cars, and information on this subject can be found in volume 12, issue 1, on page 29. Subjects listed include major topics covered in various columns such as "Restoration Forum," "Shop Ideas," etc., in addition to feature articles.
