

# SKINNED KNUCKLES

## INDEX - VOLUME 15

In the following index, which covers Volume 15 of *Skinned Knuckles*, each subject listing is followed by three numbers (for a single listing) or a series of three numbers (for multiple listings). In every case the first number is the Roman numeral XV, which designates volume number 15; the second number indicates issue number; and the third number is page number. Example: CASE HARDENING, XV-11-10. The subject or topic is Case Hardening, and information on this subject can be found in volume 15, issue 11, on page 10. Subjects listed include major topics covered in various columns such as "Restoration Forum," "Shop Ideas," etc., in addition to feature articles.
