

SKINNED KNUCKLES

INDEX - VOLUME 19

In the following index, which covers Volume 19 of *Skinned Knuckles*, each subject listing is followed by three numbers (for a single listing) or a series of three numbers (for multiple listings). In every case the first number is the Roman numeral XIX, which designates volume number 19; the second number indicates issue number; and the third number is page number. Example: DOORS, SAGGING, XIX-7-19. The subject or topic is Sagging Doors, and information on this subject can be found in Volume 19, issue 7, on page 19. Subjects listed include major topics covered in various columns such as "Restoration Forum," "Shop Ideas," etc., in addition to feature articles.
