

SKINNED KNUCKLES

INDEX - VOLUME 24

In the following index, which covers Volume 24 of *Skinned Knuckles*, each subject listing is followed by three numbers (for a single listing) or a series of three numbers (for multiple listings). In every case the first number is the Roman numeral XXIV, which designates Volume Number 24; the second number indicates the issue number; and the third number is page number. Example: PAINT REMOVAL, XXIV-3-10. The subject or topic is "Paint Removal," and information on this subject can be found in Volume 24, issue 3, on page 10. Subjects listed include feature articles and major topics covered in various columns such as "Restoration Forum," etc.
