

# SKINNED KNUCKLES

## INDEX - VOLUME 27

In the following index, which covers Volume 27 of *Skinned Knuckles*, each subject listing is followed by three numbers (for a single listing) or a series of three numbers (for multiple listings). In every case, the first number is the Roman numeral XXVII, which designates Volume 27; the second number indicates the issue number; and the third number is the page number. Example: **SOLDERING AIDS, XXVII-11-26**. The subject or topic is "Soldering Aids," and information on this subject can be found in Volume 27, issue 11, on page 26. Subjects listed include feature articles and major topics covered in various columns such as "What Went Wrong?," "Restoration Forum," etc.
