

SKINNED KNUCKLES

INDEX - VOLUME 28

In the following index, which covers Volume 28 of *Skinned Knuckles*, each subject listing is followed by three numbers (for a single listing) or a series of three numbers (for multiple listings). In every case, the first number is the Roman numeral XXVIII, which designates Volume Number 28; the second number indicates the issue number; and the third number is the page number. Example: FILES & FILING, XXVIII-3-13. The subject or topic is "Files & Filing," and information on this subject can be found in Volume 28, issue 3, on page 13. Subjects listed include feature articles and major topics covered in various columns such as "What Went Wrong?," "Restoration Forum," etc.
